Cole-Parmer® IPS-400 Series Portable Industrial Bench Scales

COLE-PARMER

Goes anywhere with built-in rechargeable battery

- Long 70-hour battery life means fewer recharging cycles
 - User IDs and password protection ensure security
 - Adjustable indicator is easy to see from any angle
 - Capacity tracker prevents overload conditions
 - Preset tare and selectable sample size make tasks more efficient
 - Bidirectional RS-232 interface connects with computers and printers
 - Rugged 304 stainless steel and ABS construction withstand harsh environments
 - Sealed keypad resists damage from dirt and spills
- Industrial scales feature weighing, parts counting, percentage, checkweighing, dynamic, and accumulation functions.

item	Capacity (kg)	Capacity (lbs)	Power (VAC)
 EW-11000-29	15	30	100 to 240
 EW-11000-31	50	100	115 / 220

item	Capacity (kg)	Capacity (lbs)	Power (VAC)
 EW-11000-32	75	150	100 to 240
 EW-11000-33	150	300	115 / 220
 EW-11002-30	25	50	100 to 240

Cole-Parmer® IPSW-400 Series Washdown Industrial Bench Scales

COLE-PARMER

Withstands splashes, spills, and sprays

- IP66-rated housing and indicator are suitable for washdown environments
 - Rugged stainless-steel construction and sealed keypad resist damage from dirt and moisture
 - Long 70-hour battery life means fewer recharging cycles
 - Capacity tracker prevents overload conditions
 - Selectable sample size makes repetitive tasks more efficient
- Scales feature weighing, parts counting, percentage, checkweighing, dynamic, and accumulation functions.

item		Capacity (kg)	Capacity (lbs)	Power (VAC)

 EW-11000-38	150	300	115 / 220

Cole-Parmer® CS-200 Series Plus Counting Scales

COLE-PARMER

Quick and easy weighing in a compact, durable design

- Three backlit LCDs show count, piece weight, and total weight
 - Sealed keypad protects against dirt and spills
 - Large stainless-steel pan allows for easy cleaning
 - Overload protection prevents damage to internal components
 - Programmable auto power-off saves energy
- Designed to be compact, lightweight, and portable, these scales offer fast parts counting. Take them wherever you need them in your lab. Built-in rechargeable battery delivers up to 90 hours of operation on a single charge, offering you continuous use.

Scales are simple to operate with a numeric keypad for direct entry of piece weights. Other features include an internal memory, adjustable leveling feet, and low battery level indicator. The scales can also

operate on a low voltage USB input.

item	Calibration Type	Capacity (kg)	Readability (g)
 EW-11200-00	External calibration	3	0.1

item	Calibration Type	Capacity (kg)	Readability (g)
 EW-11200-01	External calibration	6	0.2
 EW-11200-02	External calibration	15	0.5
 EW-11200-03	External calibration	30	1

Cole-Parmer® IBS-200 Series Plus Compact Bench Counting Scale

- COLE-PARMER
Essential weighing and simple check weighing in a compact design
 - Large backlit LCD for quick reading
 - Overload protection prevents damage to internal components
 - LED signals is sample is under, within, or over set limits
 - Data is visible even after removing the load, thanks to the freeze display
 - Large stainless-steel pan allows for quick cleaning
 - Programmable auto power-off saves energy
- These budget-friendly, compact bench scales offer an affordable weighing solution without compromising essential features. Ideal for small businesses, startups, or facilities with budget constraints.

The scales are easy to use, even for individuals with minimal training, which reduces the learning curve, ensuring users can quickly and efficiently perform basic weighing tasks. Despite their simplicity, these scales offer a range of versatile weighing functions, including five weighing units, percent weighing, simple parts counting, and check weighing.

With a fully charged battery capable of operating for up to 240 hours, these scales offer extended usability without frequent recharging. Additionally, the USB power source helps to reduce downtime.

item	Capacity (kg)	Capacity (lbs)	Readability (g)

 EW-10245-03	30	66	1

CS-200 Series

Bench Counting Scale

Quick and easy weighing in a compact, durable design

Affordable, compact, and portable, these scales offer fast parts counting wherever you need it. Take them through the warehouse or use them in your lab. Built-in rechargeable battery delivers up to 90 hours of operation on a single charge.

Scales are simple to operate with a numeric keypad for direct entry of piece weights. Weighing units include g, kg, lb, lb:oz, and oz. Other features include an internal memory, adjustable leveling feet, and low battery level indicator. The scales can also operate on a low voltage USB input.

FEATURES

- Three backlit LCDs show count, piece weight, and total weight
- Sealed keypad protects against dirt and spills
- Large stainless-steel pan allows for easy cleaning
- Overload protection prevents damage to internal components
- Programmable auto power-off saves energy
- 3-year warranty

APPLICATIONS

- Weighing
- Parts counting
- Check counting
- Net total weighing

IBS-200 Compact Industrial Bench Scale

Cole-Parmer®
scientific experts

These affordable compact bench scales handle basic weighing tasks and check weighing operations with a simple sealed keypad and intuitive operation. They offer five weighing units, percent weighing, simple parts counting, and check weighing. A fully charge battery can operate for up to 240 hours. The scales can also be operated using a USB power source. Other features include external calibration, indicators for stable, zero, net weight, and low battery functions, and zero tracking and tare.

Basic weighing and simple check weighing in a compact design

Features

- Large backlit LCD for quick reading
- Overload protection prevents damage to internal components
- LED signals if sample is under, within, or over set limits
- Display hold function freezes display when load is removed
- Large stainless-steel pan allows for quick cleaning
- Programmable auto power-off saves energy
- 2-year warranty

Applications

- Weighing
- Parts counting
- Check counting
- Net Total weighing

About Cole-Parmer:

Cole-Parmer is a leading global manufacturer of proprietary products for fluidics, environmental, analytics, lab essentials, and critical research and process equipment for life sciences. We are proven experts in the fields of fluid handling, environmental testing, cold chain monitoring, sample preparation and handling, and chromatography. Our instruments and components have been used extensively in the biopharma, pharmaceutical, life sciences, environmental, and the food and beverage industries for over 65 years.
